To holders of ordinary shares of 25p each in the Company

Dear Shareholder

The 2018 Annual General Meeting of the Company will be held on 31 July 2018 in accordance with the Notice of the AGM included on pages 5 to 6 of this document. A Form of Proxy is enclosed separately.

The meeting will consider and, if thought fit, pass the following resolutions, of which numbers 1 to 6 will be proposed as ordinary resolutions and numbers 7 to 9 will be proposed as special resolutions.

Resolution 1 – Annual Reports and Accounts

Shareholders will be asked to receive the Accounts for the year ended 1 April 2018 together with the Reports of the Directors and the Auditors therein.

Resolution 2 – Directors' Remuneration Report

Resolution 2 is to approve the Directors' Remuneration Report. Section 239 of the Companies Act 2006 (the "2006 Act") requires that a remuneration report is put to a vote of shareholders at the AGM. This vote is advisory and the Directors' entitlement to receive remuneration is not conditional on it.

Resolution 3 – Election of Director

Resolution 3 seeks the election of Daren Morris as an Executive Director of the Company. Mr Morris was appointed as an Executive Director on 8 June 2015. As this is the third Annual General Meeting since Mr Morris was last elected by shareholders, in accordance with the Articles of Association of the Company he will retire at the AGM and is seeking re-election.

Biographical details of all the Directors, including membership of Board committees, are set out on page 34 of the Annual Report and Accounts 2018.

Resolutions 4 and 5 – Reappointment and remuneration of Auditors

The Company is required to appoint auditors at each Annual General Meeting at which its accounts are presented to hold office until the next Annual General Meeting. Resolutions 4 and 5 propose that PricewaterhouseCoopers LLP be reappointed as auditors for the current financial year and that the Directors of the Company be authorised to determine their remuneration.

Resolution 6 – Authority to allot shares or grant subscription or conversion rights

Paragraph (a) of Resolution 6 (in line with the guidance issued by the Investment Association (formerly the ABI)) asks shareholders to grant the Directors authority under section 551 of the 2006 Act to allot shares or grant such subscription or conversion rights as are contemplated by sections 551(1)(a) and (b) respectively of the 2006 Act up to a maximum aggregate nominal amount of £12,064,444, which represents approximately one-third of the issued ordinary share capital of the Company as at 4 July 2018 (being the latest practicable date prior to publication of this document).

Paragraph (b) of Resolution 6 (also in line with the guidance issued by the Investment Association) proposes that a further authority be conferred on the Directors to allot shares or grant subscription or conversion rights in connection with a rights issue up to a maximum aggregate nominal amount of £12,064,444. This amount represents approximately an additional one-third of the issued ordinary share capital of the Company as at 4 July 2018 (being the latest practicable date prior to publication of this document).

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the earlier of the conclusion of the Annual General Meeting of the Company in 2019 or 30 September 2019. The Directors have no present intention of exercising such authority. In the event that the allotment authority under paragraph (b) of Resolution 6 is exercised, the Directors intend to follow best practice as regards its use (including as to the requirement for Directors to stand for re-election) as issued by the Investment Association. As at 4 July 2018 (being the latest practicable date prior to publication of this document) the Company did not hold any treasury shares.

Resolution 7 – Disapplication of pre-emption rights

If the Directors wish to allot any equity securities for cash, the 2006 Act requires that such equity securities are offered first to existing shareholders in proportion to their existing holdings. The passing of Resolution 7 would allow the Directors to allot shares (or sell any shares which the Company may hold in treasury following a purchase of its own shares) without first offering the shares to existing shareholders. As noted above, as at 4 July 2018 (being the latest practicable date prior to publication of this document) the Company did not hold any treasury shares.

The authority would be limited to:

- (i) in the case of Resolution 7(a), allotments or sales (a) in connection with a pre-emptive offer or a rights issue; and (b) otherwise up to an aggregate nominal amount of £1,809,667 (which represents 5% of the issued ordinary share capital of the Company as at 4 July 2018 (being the latest practicable date prior to publication of this document)); and
- (ii) in the case of Resolution 7(b), allotments or sales where each such allotment or sale is in connection with an acquisition or specified capital investment (as contemplated by the Pre-Emption Group's Statement of Principles) up to an additional aggregate nominal amount of £1,809,667 which represents 5% of the issued ordinary share capital of the Company as at 4 July 2018 (being the latest practicable date prior to publication of this document).

The Directors confirm that they will only allot shares pursuant to the authority referred to in Resolution 7(b) where that allotment is in connection with an acquisition or specified capital investment (as defined in the Pre-Emption Group's Statement of Principles) which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. In respect of the authority referred to in Resolution 7(a), the Directors also confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authority within a rolling three-year period. The Principles provide that usage in excess of 7.5% of issue ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

The authorities will expire at the earlier of the conclusion of the Annual General Meeting of the Company in 2019 or 30 September 2019.

Resolution 8 – Authority to purchase own shares

This resolution will allow for the renewal of the Company's authority to make market purchases of its own ordinary shares, up to a maximum of 14,477,333 ordinary shares (which is approximately 10% of the current issued ordinary share capital of the Company as at 4 July 2018 (being the latest practicable date prior to publication of this document)); such authority to expire at the conclusion of the next Annual General Meeting of the Company in 2019 or on 30 September 2019, whichever is earlier. The amount paid for each ordinary share (exclusive of expenses) shall not be more than the maximum price that is stipulated by the Listing Rules from time to time, published by the Financial Conduct Authority, or less than 25p per ordinary share (being the amount equal to the nominal value of an ordinary share). The Directors have no present intention of exercising this authority. The authority will only be exercised if the Directors consider that there is likely to be a beneficial impact on earnings per ordinary share and that it is in the best interests of the Company at the time.

Options to subscribe for up to 9,671,932 ordinary shares have been granted and are outstanding as at 4 July 2018 (being the latest practicable date prior to publication of this document) representing just over 6.68% of the issued ordinary share capital at that date. If the Directors were to exercise in full the power for which they are seeking authority under Resolution 8, the options outstanding as at 4 July 2018 would represent approximately 7.42% of the ordinary share capital in issue following such exercise.

Resolution 9 – Notice of general meetings

Under the 2006 Act prior to 3 August 2009, the minimum notice period to be given for general meetings other than annual general meetings, was 14 clear days. However, the Companies (Shareholders' Rights) Regulations 2009 amended this requirement by increasing the minimum notice period for general meetings of a listed company to 21 days but with an ability for such a company to reduce this period back to 14 days provided that:

- (a) the company offers a facility for shareholders to vote by electronic means. This condition is met if the company has a facility enabling all shareholders to appoint a proxy by means of a website; and
- (b) on an annual basis, a shareholders' resolution approving the reduction of the minimum notice period from 21 days to 14 days is passed.

Resolution 9, therefore, proposes that the minimum period of notice for all general meetings of the Company other than annual general meetings be reduced to 14 days. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The approval of this resolution will be effective until the conclusion of the Annual General Meeting in 2019, when it is intended that the approval will be renewed.

Recommendations

The Board of Directors of the Company considers the resolutions set out in the Notice of the Annual General Meeting on pages 5 and 6 of this document to be in the best interests of the Company and the shareholders of the Company as a whole and therefore recommends that you vote in favour of these resolutions, as the Directors who hold ordinary shares intend to do in respect of their own beneficial holdings of 35,085,295 ordinary shares, which represent, in aggregate, approximately 24.2% of the Company's issued ordinary share capital.

Yours sincerely

Nathaniel Rothschild
Executive Chairman

 - (ii) the allotment (otherwise than pursuant to sub-paragraph (a) above) of equity securities up to an aggregate nominal amount of £1,809,667,

and such power shall expire on the conclusion of the Annual General Meeting of the Company to be held in 2019 or on 30 September 2019, whichever is earlier, but so that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted after such expiry, and the Directors may allot equity securities in pursuance of such offer or agreement as if the power conferred by this resolution had not expired.

- (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

and such power shall expire on the conclusion of the Annual General Meeting of the Company to be held in 2019 or on 30 September 2019, whichever is earlier, but so that the Company may before such expiry make an offer or agreement which would or might require equity securities to be allotted (and treasury shares to be sold) after such expiry and the Directors may allot equity securities (and sell treasury shares) in pursuance of such offer or agreement as if the power conferred by this resolution had not expired.

9. THAT a general meeting of the Company, other than an annual general meeting, may be called on not less than 14 clear days' notice.

Proxies

1. A member entitled to attend, speak and vote at the above meeting may appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote on his or her behalf. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that member. A proxy need not be a member of the Company.
2. To appoint more than one proxy, you may photocopy the Form of Proxy. Please indicate the proxy holder's name and the number of shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate in the box provided if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
3. To be valid any Form of Proxy together with any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) or any other instrument appointing a proxy must be included with the Form of Proxy and received by post or (during normal business hours only) by hand at the Company's Registrars, Link Asset Services, 34 Beckenham Road, Beckenham, Kent, BR3 4TU, no later than 48 hours before the time appointed for holding the meeting. If you prefer, you may return the Form of Proxy to the Registrar in an envelope addressed to FREEPOST PXS, 34 Beckenham Road, BR3 9ZA. Please note that the Freepost address must be completed in block capitals and that delivery using this service can take up to 5 business days. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.
4. Completion and return of a Form of Proxy, other such instrument or any CREST Proxy Instruction (as described in paragraph 9 below) will not preclude a member from attending and voting in person, should he or she subsequently decide to do so.

Nominated Persons

5. A person who is not a shareholder of the Company, but has been nominated by a shareholder to enjoy information rights in accordance with section 146 of the Companies Act 2006 (the '**2006 Act**') (a '**Nominated Person**') does not have the right to appoint a proxy, although he/she may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy. Alternatively, if a Nominated Person does not have such a right, or does not wish to exercise it, he/she may, under an agreement with the relevant shareholder, have a right to give instructions to the shareholder as to the exercise of voting rights. Such Nominated Persons are advised to contact the shareholder who appointed them for further information on this and the procedure for appointing any such proxy.

Record Date

6. Only the holders of ordinary shares entered on the register of members of the Company as at close of business on 29 July 2018 (or, in the event of any adjournment, close of business on the date which is two days before the date of the adjourned meeting) shall be entitled to attend either in person or by proxy, and the number of ordinary shares then registered in their respective names shall determine the number of votes such persons are entitled to cast at the meeting. Changes to entries on the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend or vote at the meeting.

Total Voting Rights

7. As at 4 July 2018 (being the latest practicable date prior to the publication of this document) the Company's issued share capital consisted of 144,773,328 ordinary shares of 25p each, carrying one vote each. The Company does not hold any shares in treasury. Therefore the total voting rights in the Company as at 4 July 2018 are 144,773,328.

CREST Proxy Instructions

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
9. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a '**CREST Proxy Instruction**') must be properly authenticated in accordance with Euroclear UK and Ireland Limited's ('**Euroclear**') specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent Link Asset Services (ID RA10) by 11 a.m. on 29 July 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

10. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
11. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001 (as amended).

Publication of audit concerns

12. Under section 527 of the 2006 Act members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the 2006 Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.

Questions

13. Any shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Documents on display

14. Copies of the terms and conditions of appointment of the Non-Executive Directors and the service contracts of the Executive Directors will be available for inspection at the registered office of the Company during usual business hours on any weekday (Saturdays, Sundays and public holidays excluded) and at the place of the Annual General Meeting from at least 15 minutes prior to, and until the conclusion of, the Annual General Meeting.

Information available on the Website

15. A copy of this notice and the information required to be published by section 311(A) of the 2006 Act can be found at www.volex.com. Shareholders may not use any electronic address provided in either this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
